

# Worthing Stamp Auctions

70 Victoria Road, Worthing,  
Sussex BN11 1UN

**SATURDAY 23rd February 2019**

Welcome to our first auction of the year at The Charmandean Centre, where there is plenty of free parking. We look forward to seeing you in 2019. As can be seen we have a lovely collection of GB including many 1d blacks, and there are other unusual items to be seen throughout the auction.

Please note that we accept credit and debit card payments. There will be no additional charge for use of these payment methods. We are continuously looking for new items for our forthcoming auctions.

## **VIEWING**

at our office all week Monday to Friday prior to the auction.  
Open 10.00am – 5.00pm (closed for lunch 1.00pm – 2.00pm) & on the day of the auction in The Charmandean Centre from 9.30am till 1.00pm

## **Diary dates for forthcoming auctions**

**Saturday 22nd June 2019**

**Saturday 7th September 2019**

**Saturday 23rd November 2019**

**Please note that the prices quoted in this catalogue are not necessarily the current ones.**

| 43. Clear plastic box filled with kiloware on / off piece having an all world mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | £30 B   |
| 44. Shoebox with plastic tub of an all world mix of blocks.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | £25 C   |
| 45. Br Commonwealth QV-QE2 mint and used collection in 2 stockbooks with several sets and part sets noted. Valuable collection and viewing recommended.                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | £75 A   |
| 46. Worldwide. 30 boxes with a must sell instruction, valued by us at an average of £100 each, though many boxes worth a great deal more. An accumulation that will yield considerable profit when worked on box for box.                                                                                                                                                                                                                                                                                                                                                                                                   | £3300 A |
| 47. Worldwide, small is beautiful. Safety deposit holding of over 1000 stockcards, each one ideal for Ebay. Huge mark up potential, dealers do not miss viewing this lot.                                                                                                                                                                                                                                                                                                                                                                                                                                                   | £2200 A |
| 48. Worldwide man with a suitcase in a suitcase! Two suitcases that must be viewed to be appreciated, extremely diverse, goes hot and cold and cold and hot - a recommended viewing for a dealer, allow plenty of time as much is hidden.                                                                                                                                                                                                                                                                                                                                                                                   | £1100 A |
| 49. Worldwide grandad collection. Battered old Century stamp album with approx 1000 different mostly 19th century mint and used stamps, including plenty of intriguing cinderella / back of the book. We note GB line engraved and useful early surface printed, jubilees to 1/-, QV officials and revenues, followed by interesting Heliogoland, Hong Kong, India, North Bornero inc 1897 / 1900 key 5c and 12c unused plus the postage and revenues 18c & 24c unused, as well as China coiling dragons, France & Colonies, German eagles, locals, Japan with 4 dragons, chrysanthemums to 30s, goose, wagtail & goshawk,  | £420 A  |
| 50. Worldwide glory box. Thousands of stamps housed in a packed large shoebox including much postal history, the stamps on stockpages in envelopes and glassines. We note strength in Italian, French and Portuguese Colonies, China with stockpages of martyrs and Taiwan, plus maximum cards and fish set seen, US classics and interesting early 20th century covers, etc, etc. Will be lots more to discover when you go through this properly, a great opportunity for dealer or worldwide collector alike.                                                                                                            | £220 A  |
| 51. Clear plastic crate filled with album pages and stockbooks having an all world mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | £55 B   |
| 52. | 53. Clear plastic box full of stockcards with an all world mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | £25 C   |
| 54. Clear plastic crate filled with albums of an all world mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | £55 B   |
| 55. Clear plastic crate filled with albums of an all world mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | £55 B   |
| 56. Clear plastic crate filled with albums of an all world mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | £55 B   |
| 57. Clear plastic crate filled with album pages of an all British Commonwealth mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | £55 B   |
| 58. Clear plastic crate filled with album pages of an all British Commonwealth mix.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | £55 B   |
| 59. Europe. Stockbook stuffed with many hundreds of mint and used stamps, no unpleasant duplication, quite chaotic, however we note France pre cancels from "Postes Paris" onwards, French cinderella from 19th century onwards, red cross booklets, Germany inc setenants from Third Reich onwards, etc. A useful range with more than first meets the eye, please inspect.                                                                                                                                                                                                                                                | £110 A  |
| 60. Worldwide cinderella. Interesting & diverse collection of hundreds of labels, the vast majority pre 1940s, with highlights incl 1905 Parma motorcycle convention, 1906 Milan national congress pair, 1906 Milan philatelic set of 5, 1913/14 Genoa expo, 1920 Bianchi, 1934 William Tell spectacular in Chiasso, all in excellent condition, attractive issues for 1923 Torino photographs set and 1926 Torino architecture and electricity expo, etc, etc. A most appealing lot of these evocative issues.                                                                                                             | £220 A  |
| 61. Europe cinderella. Charming collection of over 200 labels virtually all different presented on stockpages, including strong Italian issues with large 3 lire 1920s philatelic magazine subscription labels, 1899 Venice art exhibition, particular focus on WW1 material inc range of red cross labels, "remember Lusitania", "Do not buy German goods" and many other colourful patriotic propaganda labels. A fascinating collection with some very scarce items present.                                                                                                                                             | £220 A  |

62. Europe, small box with intense holding of 1000+ mint stamps, much in complete sets and NH, housed in glassine envelopes and on cards in a shoebox, some envelopes crammed with stamps by the hundred. We note particularly Scandinavia with Iceland, Greenland and Faroes including some earlier 20th century, Balkans with E denominations, Spain also through to Eurozone, Cyprus, Gibraltar, Portugal, Belgium from classics onwards, lots of France from 1920s onwards with better inc 1947 Ader airmail seen, etc. Huge potential here when displayed to best advantage. £110 A
63. Animals theme. Collection of hundreds of stamps virtually all in complete mint NH sets from the 1950s - 1990s, focussing on Hungary and Russia, inc Hungary 1962 congress souvenir sheets, Russia setennants, etc, etc. Clean quality throughout. Many expensive sets in Michel here. £35 B
